SUPPLEMENTARY INFORMATION: For the 2011–2012 academic year, the Post-9/11 GI Bill allowed VA to pay the actual net cost of tuition and fees not to exceed the in-State amounts for students pursuing training at public schools: $17,500 for students training at private and foreign

As such, the increase determined under 38 U.S.C. 3015(h), which was effective October 1 of the previous calendar year, will be the most recent increase in rates at the beginning of each academic year.

2012–2013 Academic Year Maximum Tuition and Fee Amounts
