Moderator Tom Horgan.................................................. Arbutus A

- Teacher Education reform
- Common Standards
- Data Collection
- State Recognition
- Other issues

Reiterating what was on agenda a year ago: The implications of Secretary Duncan’s proposal for teacher education reform and the precedent setting for all of federal higher education funding and regulation. The session will lay out the proposals as they now stand and will likely be implemented, and explore potential threats raised by this shift away from student need as the basis of federal aid, and toward a federal ministry model for policy.

**NAICU Staff- Multiple Presenters**

11:00 – 11:15 a.m. **Concluding Remarks & General Adjournment.......... Arbutus A**

11:15 – 1200 p.m. **State Executive Closed Session**
Moderator Ed H. Moore, ICUF........................................... Arbutus A
